## YMCA membership details

Membership of Reigate and Redhill YMCA is available to all members of the community and is the most economical way to take part in YMCA activities. There are two main categories of adult membership. For frequent users there is **Premium membership**, which gives free access to all adult activities (except badminton and sunbed), and for less frequent visitors there is **Basic membership** which allows you to pay as you go for classes, sports sessions and gym use.

**Child/Youth membership** (under 16 years old) covers our growing programme of sports and recreational sessions for children, such as gymnastics, soccer, dance and toddler sessions, with discounted rates on all YMCA children's play schemes and youth activities.

Membership at Reigate and Redhill also makes you part of the worldwide YMCA movement that boasts more than 26 million members in over 120 countries throughout the world. As a YMCA member you will be able to claim visiting privileges in many of these YMCAs.

There are **no joining fees** on any of our memberships. Gym inductions, including a personalised exercise programme are free for Premium members and Basic members only pay £3.90. Memberships can be processed immediately allowing you to begin activities straight away (except for Fit For Life).

**Adult Premium** offers free and unlimited exercise classes, sports sessions and use of our well-equipped fitness gym, health suite and sauna, plus a free induction and a free individually designed personal exercise programme.
